**To whom it may concern**

This is to satisfy that **Mr. Peter Ndjamba Sindimba** (Student No: **219364756**) is a full-time second year student at the University of Namibia, Rundu Campus, doing **Diploma in Entrepreneurship and New Venture Creation (12DNVM)**.

It is the academic requirement of this program for students to be exposed to real world of working and business experience in and around the industry. While the University endeavors to identify collaborative industry partners in giving internship opportunities for our students, we equally welcome corporate citizens to also meet us half way as and when students approach them.

I will sincerely and wholehearted appreciate any company that may give **Mr. Peter N. Sindimba** an opportunity for internship with the aim to expand his scope of the field of study and practice alike. The University supports such efforts in all respect and will give endorsement at any slightest opportunity that may arise in this regard.

We take and regard student support as a valuable effort towards nation-building with lasting legacy to the development of Namibia. So kindly join us in building a higher-impact cadre of future business personalities our country deserves.

Sincerely Yours

Dr. Gurvy Kavei

Head: Economics and Management Science – Rundu Campus (0817276274)
