Education

2016 – 2019: “Bachelor of Science in veterinary medicine” University of Ghent

2019 – now: “Master of Veterinary Medicine” University of Ghent, currently in 2nd year of my master's degree.

Language

Dutch: native language

English: very good knowledge

French: decent knowledge

German and Spanish: limited knowledge

Experience

International:

- Junior Exchange Officer IVSA Ghent 2018-2019: international student's association for veterinary students. My job was to arrange individual exchanges for our students going abroad as well as foreign students coming to Belgium, helping them find placements for externships and helping with accommodation.
- Secretary IVSA Global 2019-2020: I helped to establish contacts between veterinary students from our member organizations from all over the world. Made manuals on organizing exchanges, etc. I also helped with the development aid branch of IVSA which supports charities, local projects and helps fund students through different grants.

- IVSA Bylaw Taskforce 2020-2021: rewriting the rules and regulations of IVSA to make them easier to understand and to adjust them to current times.

Veterinary internships:

- Lambing opportunity, farm in Ireland, spring 2017: assisting the ewes in birth, taking care of orphaned lambs, transporting sheep to the fields.
- Gezelschapsdierenpraktijk Ciamberlani, small animal practice, internship spring 2020: observing the veterinarians' work, attending ultrasound sessions etc.
- Gezelschapsdierenpraktijk Ciamberlani, small animal practice, internship autumn 2020: assisting in medical procedures, taking care of hospitalized patients, analyzing samples etc.
- Dierenasiel Gent: spaying and neutering cats in the local shelter, autumn 2020

Working experience:

- Vlaams Diergeneeskundige Kring 2017-2020: being active in our student union, organizing activities for new students, events, book sales, keeping the cafeteria open etc.
- Oh Green Zwijndrecht 2019: (pet and garden center) working in the pet department and taking care of the animals in the store.
- Flanders Horse Expo 2018, 2019, 2020: working in logistics
- Tandheelkundig Centrum Gent 2020-2021: working as a dentists assistant to prepare and clean equipment and tools. Learning about dental procedures.
