

To whom it may concern:

Re: Internship Placement

This letter serves to inform you that the student applying to your institution is a 4th year Microbiology student at the University of Namibia's Biological Sciences Department. The internship program is coordinated by the Department of Biological Sciences and students are encouraged to apply for such opportunities to further develop their practical skills. We appreciate your willingness to be a part of the education and development of future professionals in science.

Yours Sincerely

Eiman H. B.

Internship Coordinator
