Dear Sir /Madam

Re: APPLICATION FOR INTERNSHIP

I am Maria T Simson 22 years of age, ID number 99022300285. A third year student at Namibia University of Science and Technology currently studying my Bachelor of Science (major Biology and minor Chemistry). I am a young lady that is always willing and able to work and learn as well as share my knowledge with others. Working as a team as well as on my own will be a privilege.

I here by applying for an internship in your organization for Genetics or Ecology, for the duration of 6 weeks be it compensatory or not.

I would be greatly be waiting for your response.

Yours faithfully

.....
