Dear: Sir/Madam

Application of internship at Cheetah Conservation Fund

I am a third (3rd) year student pursuing a Bachelor of Science (Honours) degree in Wildlife Management and Ecotourism at Katima Mulilo Unam campus.

The University of Namibia notes it mandatory for students to engage in internships, as a way to prepare them for their future roles. It is therefore with great pleasure that I apply at your duty station for internship. The internship requires me to partake in all activities undertaken by the staff at your station for a maximum period of six (6) weeks.

I have read and understood circular 20 of 2017, and I acknowledge to complete the internship without any allowance.

I look forward to being granted this opportunity to work with your team and attain as much expertise as I could.

Yours Faithfully

Trendy Masule
