

**Cheetah Gear (Clothing) Proceeds will be Donated to the  
Cheetah Conservation Fund for Earth Day 2021!**

**Order April 12<sup>th</sup> through April 23<sup>rd</sup>**

Cherrydale's sponsored cheetah, **Ron**

Every year in celebration of Earth Day, students and staff at Cherrydale work together to collect donations in order to help the Cheetah Conservation Fund (CCF) in Namibia, Africa. Sadly, cheetahs are an endangered species. We have helped the CCF with Earth Day donations since 2004!

Check out the Cheetah Conservation Fund's website at [cheetah.org](http://cheetah.org) – We have sponsored a cheetah who lives there named **Ron** for many years ☺

Instead of bringing money to school for donations this year, the PTA is donating proceeds from our online “Cheetah Gear” sale (April 12<sup>th</sup> – April 23<sup>rd</sup>) to the Cheetah Conservation Fund. Please go to the link that is included in this posting to order.

If you'd like to donate directly to the Cheetah Conservation Fund, go to <https://cheetah.org/donate/> . In the “Tribute Gift” section, type “Ron” to help sponsor Cherrydale's cheetah.

On Earth Day, Thursday, April 22<sup>nd</sup> during their recess, students and recess supervisors will walk around our playground nature trail while listening to music and wearing their favorite “cheetah gear” clothes, and cheetah headbands (while practicing safe social distancing). Students will also receive a packet of sunflower seeds to plant and a treat to take home.

**Cherrydale Cheetahs helping cheetahs – a great way to show we are PeaceBuilders who “Help Others” [www.peacebuilders.com](http://www.peacebuilders.com).**

**Happy Earth Day!**
