Dear: Sir/Madam

I would like to apply for an internship with your prestigious organization. I am presently pursuing a Diploma in Accounting and Auditing from the University of Namibia and I will graduate in April 2020. I would like to take this opportunity to express interest in a junior accounting position with your firm before completion of my academic career.

I feel that your company's presence in a similar field and having to serve as an intern with your organization would give my career the exact opportunity that I am aspiring for and I am certain I will make a valuable addition to your organization. The main reason why I am applying for this internship is because I would love to improve my skills and experience in the field of Accounting and to make difference in the areas where I will be trained in your firm.

I will be very excited to become an intern in your company. Attached is my resume together with my proof of registration for your review. I can be available for your interview at your convenience. Thank you for considering my application.

Sincere

Ngazenjangue Mburura
