**Explanatory Notes**

This statement of results is not a certificate. The Directorate of National Examinations and Assessment in collaboration with Cambridge International Examinations reserves the right to amend the information given on this statement, which will be confirmed by the issue of a certificate.

NSSC Ordinary Level results are reported on an 8-point scale of grades: A\*(a\*), A(a), B(b), C(c), D(d), E(e), F(f), G(g), Grade A\*(a\*) being the highest and Grade G(g) the lowest. UNGRADED indicates that the candidate's performance fell short of the standard required for Grade G(g).

NO RESULT indicates that a result cannot be issued because of absence for the whole or part of the examination in the syllabus or because of a decision not to issue a result for some other reason.

PENDING indicates that a result cannot be issued at present but will follow in due course.

The NSSC Ordinary Level Office Administration and Keyboarding Applications includes the assessment of typing speed which is reported separately as a words per minute endorsement. The words per minute will be recorded on NSSC certificates provided the overall syllabus result is Grade G(g) or higher.

Only subjects in which grade A\*(a) to G(g) are attained will be recorded on certificates.
