Dear Sir/Madam

Application for Internship/WIL Placement

My name is Hishikushitya Johannes student number 220075409, I am a second-year student studying for a degree in Bachelor of Nature Resources Management in Nature Conservation at the Namibia University of Science and Technology (NUST). I am hereby applying for an internship placement at your institution for the first semester of 2022 academic year.

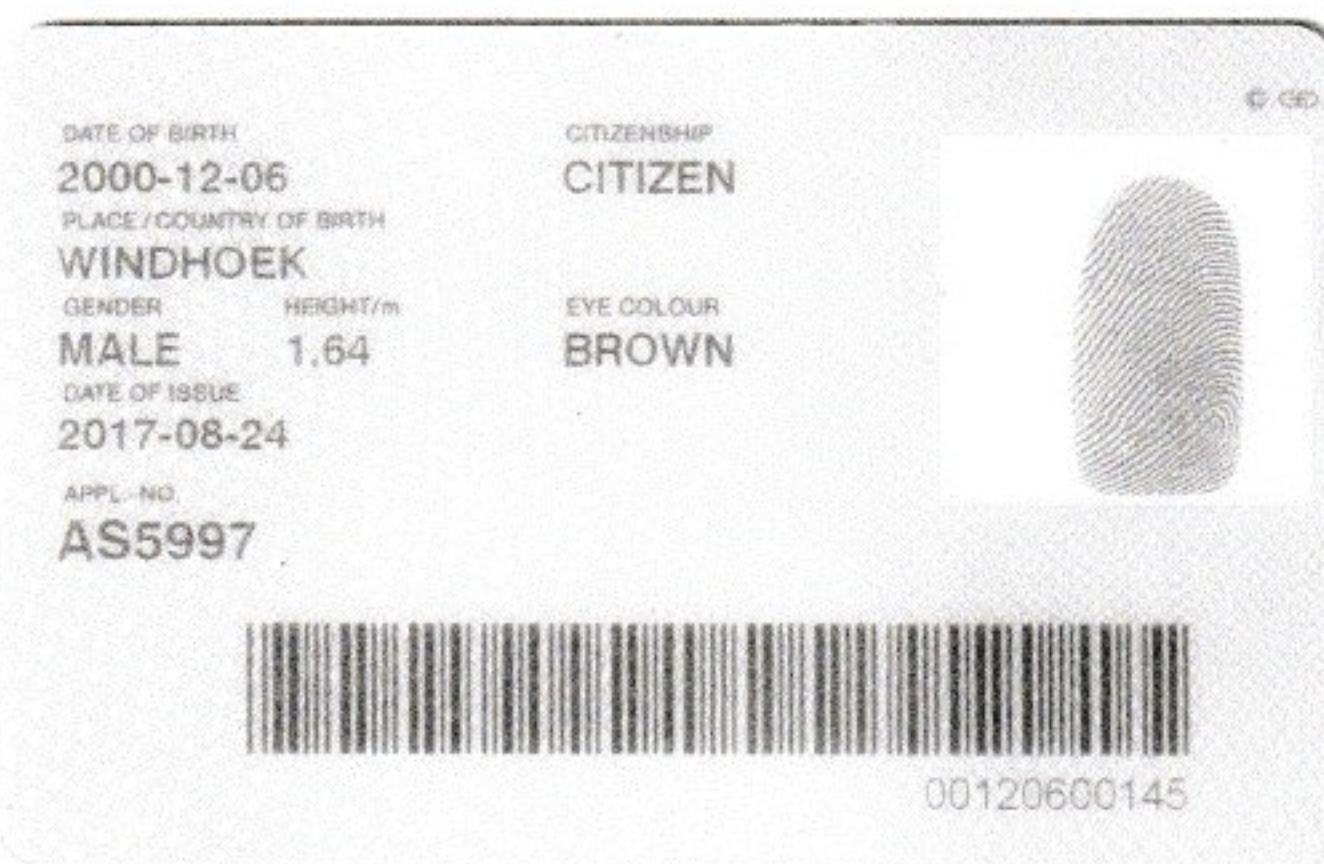

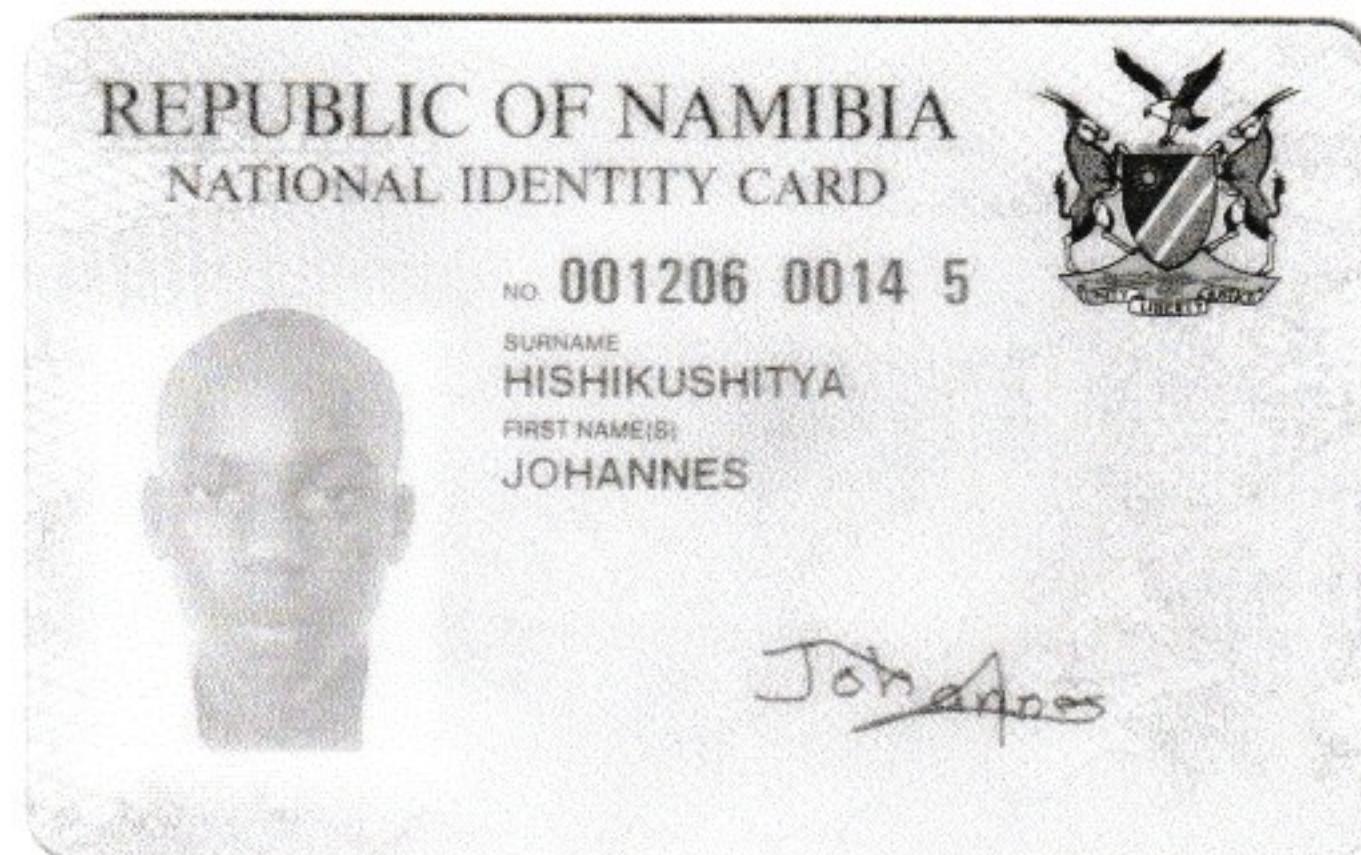

As young and upcoming nature conservationists, I have a keen interest and passion for the outdoors and wildlife and firmly believe in finding a sustainable manner to ensure the maintenance of biodiversity as it has become undeniably clear that the conservation of the world's natural resources is vital for human survival itself. Therefore, my future aim is to be able to tell how important it really is to conserve the nature plants and animals for our next generation. Although I do not have experience or extensive training in presenting interpretive programs to the public, I am confident that my communication skills will be more than enough in ensuring that I complete my work as per my job description. Additionally, my coursework in the field has enabled me to develop excellent research, writing and organizational skills, which would be of great benefit.

Granted an opportunity to practice at your respective institution, I will ensure that I offer my best and maximum commitment, cooperation and promise to do whatever it takes to serve and strive for excellence in the performance of your institution at large. I therefore put my hope and trust in your hands that I will soon become a temporary member of your nature conservation dynamic team. I have a learner's license at the moment and I will make sure that by next year I will have a driver's license. To this letter, I have attached my CV plus all the necessary documents relevant to this application. For further inquiries please conduct me on my cell phone number 0815822671 and or my email address at hishikushityaj@gmail.com

Thank you for your time and consideration, and I look forward to hearing from you soon.

Yours faithfully

Johannes
