CCNA Routing and Switching: Introduction to Networks

During the Cisco Networking Academy® course, administered by the undersigned instructor, the student was able to proficiently:

- Understand and describe the devices and services used to support communications in data networks and the Internet
- Understand and describe the role of protocol layers in data networks
- Understand and describe the importance of addressing and naming schemes at various layers of data networks in IPv4 and IPv6 environments
- Design, calculate, and apply subnet masks and addresses to fulfill given requirements in IPv4 and IPv6 networks

- Explain fundamental Ethernet concepts such as media, services, and operations
- Build a simple Ethernet network using routers and switches
- Use Cisco command-line interface (CLI) commands to perform basic router and switch configurations
- Utilize common network utilities to verify small network operations and analyze data traffic

CCNAv7: Switching, Routing, and Wireless Essentials

The student has successfully achieved student level credential for completing CCNAv7: Switching, Routing, and Wireless Essentials course administered by the undersigned instructor. The student was able to proficiently:

- Configure VLANs and Inter-VLAN routing applying security best practices.
- Troubleshoot inter-VLAN routing on Layer 3 devices.
- Configure redundancy on a switched network using STP and EtherChannel.
- Troubleshoot EtherChannel on switched networks.

- Explain how to support available and reliable networks using dynamic addressing and first-hop redundancy protocols.
- Configure dynamic address allocation in IPv6 networks.
- Configure WLANs using a WLC and L2 security best practices.
- Configure switch security to mitigate LAN attacks.
- Configure IPv4 and IPv6 static routing on routers.

CCNAv7: Enterprise Networking, Security, and Automation

The student has successfully achieved student level credential for completing CCNAv7: Enterprise Networking, Security, and Automation course administered by the undersigned instructor. The student was able to proficiently:

- Configure single-area OSPFv2 in both point-to-point and multiaccess networks.
- Explain how to mitigate threats and enhance network security using access control lists and security best practices.
- Implement standard IPv4 ACLs to filter traffic and secure administrative access.
- Configure NAT services on the edge router to provide IPv4 address scalability.

- Explain techniques to provide address scalability and secure remote access for WANs.
- Explain how to optimize, monitor, and troubleshoot scalable network architectures.
- Explain how networking devices implement QoS.
- Implement protocols to manage the network.
- Explain how technologies such as virtualization, software defined networking, and automation affect evolving networks.

TO WHOM IT MAY CONCERN

I, the undersigned, have great pleasure in testifying as follows regarding

COLLEN IYAMBO
24/09/1997

He has been a learner of this school since January 2011 and is presently in grade 12.

ACADEMIC

Subjects:

ENGLISH 2ND LANGUAGE	O	ACCOUNTING	O
AFRIKAANS	O	MATHEMATICS	O
BUSINESS STUDIES	O	COMPUTER STUDIES	O
LIFE SKILLS			

Collen is a diligent, a hardworking pupil. He is adaptable, devoted and disciplined. He has no difficulties in accepting authority. He stands firm to his principles and does not easily bend under peer pressure. He is loyal to teachers and school, matured, trust worthy and communicates well with an agreeable personality. He shows a lot of compassion for other learners and has gained a lot of respect from peers and teachers for being an example for everyone. Collen is self-assured and trusted by fellow students.

Leadership:

Senior prefect, 2015

Sports:

Zonals, Edugade Prostige 2015

The school's best wishes accompany him for the future.

R. GOLDBECK (PRINCIPAL)

TO WHOM IT MAY CONCERN

Dear Sir/Madam

This is to certify that **Collen M. Iyambo** ID No. **97092400047** has been employed by **TLC Trading Enterprises** as of **January 2020** up until **30th November 2020.** The position that Mr. Iyambo held was **IT Support Officer.**

During Mr. Iyambo's employment term at TLC Trading Enterprises he has proven to be a very hardworking, dilligent and trust worthy employee who always executed duties assigned to him with his atmost abilities. He has also earned the respect from his fellow colleagues as he was always professional towards them and within the work environment. One of his best traits I would say is his ability to improvise becasue ,even in the most tense and imposible seeming situations he alwasy finds a way to get the job done.

I would definately recomment him for any employement opportunity he soughts to be seeking , becasue he is definately a positive add-on to any organisation he may join. Please dont hesite to contact me for any information you may need elaborated on about him.

Kind Regards

Mr. C C Timbo
(TLC Trading Enterprises Executive Director)
